INTRODUCING THE CLASSIC 340E

**POWERED BY THE EPROPULSION
NAVY 6.0 EVO ELECTRIC MOTOR**

WHY GO ELECTRIC?

The ePropulsion Navy 6.0 Evo Electric Outboard Motor provides clean, efficient & reliable power at 9.9HP, suitable for saltwater and freshwater. It creates no messy fuel or oil leaks, and is exhaust-free, making every trip safe, pleasant & eco-friendly. Lightweight and compact, it is easy to lift, transport and store ashore or onboard.
